

Welcome to PUKY - Germany's best-known manufacturer of children's and youth vehicles for 75 years

We are the door opener to a world of fun, adventure and limitless mobility for kids. We are an expert in developing kid's motoric skills. With our products children create their own adventures that last for lifetime memories.

Within the developments in the field of sustainability, constantly there are new tasks and opportunities that we take on as a team. For this we need your support!

We are looking for a new position reporting to the managing director at our company headquarters in Wülfrath (between Wuppertal and Düsseldorf) for a

Student (m/f/d) doing his/ her Master Thesis for the development of ESG/ sustainability reporting in medium size companies

TASKS OF THE POSITION:

- Thesis: Introduction and creation of ESG reporting in medium-sized companies
- Taking the lead in implementation of reporting requirements according to e.g. CSRD/ESRS (European standards for sustainability reporting)
- Qualitative and quantitative preparation of relevant organizational tasks and content

OUR EXPECTATIONS:

- Enrolled student (m/f/d) in the FACT, Economics, Industrial Engineering or comparable degree programme, ideally with a focus on sustainability management
- Solid knowledge of MS Office programmes
- Experience with databases and merchandise management systems is desirable
- Good analytical and conceptual skills
- Fluent in German and English
- A high degree of independence, a structured and independent way of working, communication skills and team orientation

WHAT IS IN FOR YOU:

- Insights into the day-to-day operations of a dynamic, fast-growing and process-orientated company at management level
- Working on topics with high strategic relevance for PUKY
- Personal mentoring
- Opportunity for personal and professional development
- Innovative and collegial working environment with room for creativity and new ideas

Working hours: approx. 20 hours/week (can be planned flexibly)

Remuneration: by agreement

Be part of the dynamic team and benefit from our experience. We are looking forward to receiving your detailed application documents by email to Lidia Barcellona at bewerbung@puky.de.
